Date:

**RE: Vulnerable Sector Screening Application - Coach, Assistant Coach, Board Member, Volunteer**

To Whom it May Concern:

As the President of the Delaware Komoka-Kilworth Mount Brydges (DKMB) Minor Baseball Association, I am submitting this letter as supplemental documentation in support of the following Coach, Assistant Coach, Volunteer, or Board Member for the 2025 season.

Name: \_\_\_\_\_ (print name)

(DKMB) Minor Baseball Association provides opportunities for boys, girls, and co-ed teams across multiple age divisions, including players aged 18 and under (the "Vulnerable Sector"). Coaches, Volunteers, and Board Members play a vital role in supporting and supervising these athletes, particularly those within the Vulnerable Sector. The position is one of trust and authority towards vulnerable persons aged 18 and under. The applicant may routinely engage with youth, providing access and experience in the sport of baseball through practices and games at various diamonds. Their role may also involve traveling to tournaments and participating in activities and events throughout the season.

To help maintain a safe and positive environment for all players, we kindly ask that all coaches and volunteers complete a **Vulnerable Sector Check (VSC)** through their local police department.

We appreciate you proceeding with the Vulnerable Sector Screening Check accordingly. Your commitment to player safety is invaluable to our organization.

Yours truly,

A handwritten signature in black ink, appearing to read "Brent Lipskey", written in a cursive style.

Brent Lipskey  
DKMB President
